Important Note: Sage Software recommends you review ACT! 2009 Solutions system requirements at www.act.com/2009sysreq to ensure you meet these requirements. **Compatibility:** ACT! cannot be used in conjunction with ACT! Premium Solutions. ACT! Premium Solutions are only compatible with their respective same editions. ACT! Premium for Web is not available on a standalone basis. ACT! Premium for Web is only available with ACT! Premium-Corporate Edition. **Add-on Solutions:** Visit www.actsolutions.com or check with your add-on product provider to determine compatibility.

- 1 Not all fields can be linked and linked field types must be compatible.
- 2 In ACT! Premium for Web, this feature may behave differently.
- 3 In ACT! Premium for Web, administrative functions must be performed on the Web server.
- 4 Requires Microsoft Excel and Word 2002, 2003, and 2007.
- 5 This feature is not available in ACT! Premium for Web.
- 6 You must purchase one license of ACT! per user.
- 7 Scalability will vary based on hardware and size and usage of your database. Published minimum system requirements found at www.act.com/2009sysreq are based on single user environments. You must purchase one license of ACT! per user.
- 8 Limited access group and company names will be viewable from the tree view, but all associated information will remain inaccessible.
- 9 In order to edit, add, or remove Dashboard components, you must have an ACT! manager or administrator security role.
- 10 Delivered as an MSI package. Software to distribute MSI package is not included. Silent Activation on machines requires Internet access. Users must be machine administrators in order to activate.
- 11 Requires additional purchase.
- 12 Citrix and Terminal Services require specific configurations. Citrix is supported using Presentation Server 3.0 and 4.0.
- 13 This feature is only available in ACT! Premium for Web on machines running a Safari browser on a Macintosh[®] OS. The ACT! Word Processor and Microsoft[®] Outlook[®] integration are not available using this feature.
- 14 Sage Software is in no way liable or responsible for any claims made related to products or services provided by third-party vendors.
- 15 Available upon request.
- 16 ACT! Premium for Web is only available with ACT! Premium—Corporate Edition.

About ACT!

The #1 selling contact and customer management solution for over 20 years, ACT! by Sage continues to bring the latest, most intuitive technology to businesses across the globe. ACT! solutions have more than 2.8 million individual users and 43,000 corporate customers in 25 countries, including individuals, small businesses, selling professionals, and corporate teams. Because ACT! solutions support an “anywhere” workforce with seamless online, offline, and mobile access solutions, they work for any business environment. With ACT!, you can achieve maximum productivity so you have time to focus your attention on business-critical activities, provide a better customer experience because you understand the intricate needs of your contacts, and make informed decisions to advance your business.

End-to-end solutions. Expert advice. Premium support. That's Sage 360[®].

Sage Software supports the needs, challenges, and dreams of 2.7 million small and mid-sized business customers in North America through easy-to-use, scalable and customizable software and services. Sage Software is a subsidiary of The Sage Group plc, a leading international supplier of business management software and services formed in 1981 and listed on the London Stock Exchange since 1989.
